

# TIFFANI TAYLOR GALLERY

## Vibrant, Inviting & Captivating

“Nature is a cathedral where Divinity speaks in moments of beauty and inspiration.” When you walk into Tiffani Taylor Gallery in historic downtown Savannah, you’ll see representations of these moments transformed into breath-taking original art.

The Tiffani Taylor Gallery is a dreamy, romantic sanctuary where you will find original pieces of art, created by the owner of the gallery herself. The art that you will see in the gallery are somewhat of a patchwork quilt of Tiffani’s travels—the moments of beauty that she has experienced from Paris, France to Rome, Italy to right here in Savannah. You can see the passion that Tiffani has for creating unique pieces of art—red poppies surrounded by rich flecks of gold paint, vibrant cardinals in the treetops, pastel marshlands... you can practically feel the emotions leaping off of each canvas.

Tiffani’s paintings lend themselves to other areas of art as well— you will find pottery, stationery, and fabric in the charming gallery. The gallery is a family-owned business, as Tiffani is both the artist and owner, and her mother is the full-time curator, happy to assist visitors in finding the perfect piece of art to add to his or her collection or selecting an original gift for loved ones.

When speaking with Tiffani and by simply viewing her beautiful work, it is immediately obvious that Tiffani loves what she does, but maybe even more than that, she wants YOU to leave inspired.

Tiffani wants to inspire others by her work, but she also takes it a step farther. The artist pays it forward with the Tiffani Taylor Endowed Scholarship for one student each year at the prestigious Savannah College of Art and Design (SCAD). This year’s recipient will be the third to receive the scholarship.

In Tiffani’s 13 years of full-time artistry, her work has been on exhibition internationally, and her art can be

found in the collections of Oprah Winfrey, Vogue Editor-at-Large Andrew Leon Talley, fashion designer Diane von Furstenberg, and others.

With a variety of work displayed, as well as a variety of price ranges, Tiffani Taylor Gallery (which will be celebrating its one-year anniversary on April 11!) has something to offer everyone. Come view the gorgeous creations of acclaimed artist Tiffani Taylor, and you will no doubt leave inspired.
